Pledge of the Sons of the American Revolution

*We, descendants of the heroes of the American Revolution,
who by their sacrifices established the United States of
America, reaffirm our faith in the principles of liberty and our
Constitutional Republic, and solemnly pledge ourselves to
defend them against every foe.*

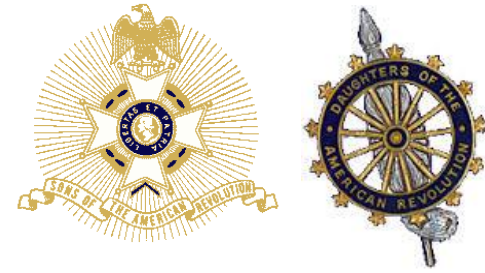

The American's Creed

*I believe in the United States of America as a government of the people,
by the people, for the people; whose just powers are derived from the
consent of the governed; a democracy in a republic; a sovereign nation
of many sovereign states, a perfect union, one and inseparable;
established upon those principles of union, one and inseparable;
established upon those principles of freedom, equality, justice and
humanity for which American Patriots sacrificed their lives and fortunes.
I therefor believe it is my duty to my country to love it; to support its
Constitution; to obey its laws; to respect it flag; and to defend it against
all enemies.*

Sons of the American Revolution Recessional

*Until we meet again, let us remember our obligations to our forefathers,
who gave us our Constitution, the Bill of Rights, an independent Supreme
Court and a Nation of Free Men.*
